Re: Red Dome Inc.'s pending mining plan proposal

Dear Ms. White;

Yesterday I FAXed and mailed a letter to you wherein I stated that Red Dome had a meeting with UDOT on September 5. Obviously that was a mistake and I apologize for it. The meeting is set for September 8, 2005 at 1:00 P.M. Please consider this a correction of that error. If September 8 is a convenient time to meet with you or your department concerning Red Dome's mining plan proposals please advise me or otherwise set a date.

Sincerely yours,

Dexter L. Anderson,  
cc. Sherry K. Hirst
